Book Club for Mentors

www.mentoring.org/resource/becoming-a-better-mentor/

We will gather on Zoom to discuss one more chapter. Club meetings last 30-60 minutes.

May 10, 5pm: Chapter 11, Effective Conversations about Behavior Change

Join us May 10th, 5pm, via Zoom to discuss Chapter 10. We'll send a link via email. **An excerpt:**

“Why is it that young people resist attempts at persuasion? One reason is that most people have competing motivations for and against changing, which is referred to as ‘ambivalence.’ Change might involve leaving something behind, trying something new, quitting a comfortable habit, or exerting yourself beyond your typical comfort zone. All of these things, to some extent, highlight reasons why people might not want to change...”

Mentoring Idea of the Month #2: Create a Pen Pal Kit!

Staying in touch over the summer can strengthen your relationship. Create a kit with pens, stamp, stationary, and stickers for you and your mentee. Make an agreement to share some mail while school is out of session. Thank you, Xandra and Devotion for the great idea!

Mentoring Idea #3: Make a Mother's Day Card!

Help your mentee make a card or gift that he/she can bring home for May 8th.

Maybe do an acrostic message. Ask your mentee to attach some adjectives or phrases to these letters:

M _____
O _____
T _____
H _____
E _____
R _____

This is an opportunity to put thought into a personalized message that will strengthen a relationship at home.

One Day in May! May 18th

Tell your friends about **One Day in May**, 24 hours of gratitude for all that mentoring accomplishes. After all, every good life starts with mentoring!

By sharing and contributing to this campaign, citizens and businesses will help Grand Area Mentoring provide activity materials and conduct background checks.

Examples:

- 1 basketball = \$16
- 1 board game = \$25
- 1 mentor background check = \$37
- 1 site's annual paper supply = \$75
- 1 site's annual paint supply = \$100
