My son's mentor was amazing with him. Helped with a few issues he had, and he was always looking forward to spending time with her.

Very encouraging! My son's mentor rocks!!! We love her!

Best decision I ever made for my daughter. She has enjoyed it.

It was very good.

I love it! My kids love it too!

She is very good. I really like the time that she dedicates to my daughter. Thank you.

My child seems happier and more motivated at school and at home. He seems more caring as well.

Love it!

My daughter only did mentoring for a couple of months this year. She really wanted to do it with [a particular mentor]. She really loves her!

I think mentoring was great for my son.
